STUDENTS RETURNING TO RACIALLY MIXED SCHOOLS IN STATES OF THE SOUTH

By The Associated Press

White and Negro children quietly attended racially mixed schools in several Southern states Tuesday almost unnoticed in the turmoil kicked up by the integration crisis.

Elsewhere, possible flareups in the bitter desegregation conflict between state and federal authority were avoided temporarily by the postponement of school opening dates.

There were one or two minor incidents, but on the whole the children seemed to get along better than their elders, busy with legal maneuvers, charges and delaying tactics.

Union Leader Clashes With Investigator

WASHINGTON (AP)—Teamsters Vice President Harold J. Gibbons was accused today of making meaningless protests against strike violence but doing nothing to prevent it.

Robert F. Kennedy, counsel for the Senate Labor Rackets Investigating Committee, said Gibbons confined his action to "general statements saying, 'I am against violence, I am against sin, and I love my mother.'"

Gibbons, No. 2 man in the Teamsters Union and its boss in the St. Louis area, clashed with Kennedy and Chairman John L. McClellan (D-Ark) over the credibility of witnesses linking him with beatings of workers during the Yellow Cab strike in St. Louis in 1953.

Kennedy told Gibbons that testimony of cabs came from men hired by Teamster locals to perform acts of violence.

He said he agreed with Gibbons (Turn to Page Ten).

Doukhobors Give Up Proposal For Exodus to Russia

VANCOUVER, B. C. (AP)—The radical Sons of Freedom Doukhobors who have written a 50-year history of violence and terrorism in British Columbia, Tuesday night all but gave the final approval to a proposed mass move to the Soviet Union.

In a 600-word telegram to Soviet President Klementi E. Voroshilov, Bill Moorjelsky said the Sons of Freedom had decided to accept in principle a Canada-British Columbia offer to foot the bill for relocation of the sons in the Soviet Union.

The bill, according to reliable but unofficial estimates, will come to about two million dollars.

Moorjelsky, who said he was speaking for the 2,668 persons he said have already signed up for relocation, asked that the Soviet Union assure the Canadian government that they would be accepted in the U. S. S. R.

Moorjelsky asked that the SFD members be settled in the Omsk and Altai regions of Soviet Siberia "or in any other place historically designated and suitable for Doukhobors."

The Doukhobors fled Russia at the turn of the century under the pressure of czarist persecution.

Flier Who Flew Red Plane To Freedom Is Naturalized

By WILLIAM A. SWARTWORTH
PITTSBURGH (AP)—A former Polish flier who won worldwide acclaim by landing a Russian fighter plane in the free world calls his naturalization as an American citizen the greatest thrill of his life.

Frank E. Jarecki, 27, one-time lieutenant in the Soviet-dominated Polish JARECKI Air Force, was among 19 persons who became citizens in a brief ceremony here Tuesday.

Speaking in near-perfect English, the good-looking Jarecki said:

"It was really something. It's a great privilege to be an American citizen and something I've been looking forward to. Now I can vote."

Jarecki appeared in Warren on the occasion of the annual dinner of Chief Cornplanter Council, Boy Scouts of America last January.

Jarecki, who lives in the little western Pennsylvania village of Reno, near Oil City, became an international figure March 5, 1953. On that day, coinciding with the death of Stalin, Jarecki took a Russian MIG-15 on a flight to freedom from near Warsaw to the Danish island of Bornholm.

President Signs Number Of New Laws Lightening Tax Loads and Increasing Debt

By MARVIN L. ARROWSMITH

NEWPORT, R. I. (AP)—President Eisenhower has put on the books new laws lightening tax loads in a few fields, increasing the national debt ceiling and providing 887 million dollars in education aid.

He has killed by pocket veto a bill to increase federal aid to airports from the current 63 million dollars a year to 100 million, and continue it until the middle of 1962.

Those are highlights of Eisenhower's action at his vacation headquarters late Tuesday on 117 bills which Congress sent to him shortly before it adjourned Aug. 24.

The President now has only 18 other pieces of legislation still before him for decision by midnight Saturday.

The major measure remaining would launch a 275-million-dollar new program to help chronically depressed city and rural areas.

Eisenhower's action on the 117 bills came during a 2½-hour work stint at his temporary offices at the Newport naval base after he had played 18 holes of golf. He signed 105 bills into law and vetoed a dozen, nearly all in that category minor.

Advance research on all of the bills had been done for him by aides, principally White House special counsel Gerald D. Morgan, who arrived by plane from Washington shortly before Eisenhower went to his office.

The major bills Eisenhower signed into law:

1. Provide multimillion-dollar tax relief to small business and make scores of technical changes in the tax laws. Those advantages to some classes of taxpayers, while at the same time closing loopholes which have given unintended benefits to others.

2. Cut excise sales taxes for folks who ride in air taxis, and ease the tax burden on whiskey distillers and movie tickets. This bill juggling excise levy features will cost the government an estimated 42 million dollars annually in tax revenue. The revisions are effective next July 1.

3. Raise the national debt limit to 288 billion dollars, highest in U. S. peacetime history. That is a temporary ceiling-up five billion dollars from the current temporary one—until next June 30. The new law also hikes the permanent statutory limit from 275 to 283 billion dollars.

Race Rioting Is Continuing Fourth Day In England

LONDON (AP)—Race rioting continued for the fourth straight night Tuesday night in London but fast-moving police squads took the edge off the violence and kept big mobs from forming.

Fifty-nine persons were arrested, the biggest roundup since poor whites began attacking colored immigrants from the West Indies and other Commonwealth areas nearly two weeks ago.

Warm Trend Through Friday Is Forecast

The Associated Press Extended forecast for Thursday, Sept. 4, through Monday, Sept. 8.

Western Pennsylvania, western New York and West Virginia: Temperature will average near normal south, 2 to 5 degrees below normal north, warming trend through Friday, cooler over weekend. Scattered showers or thundershowers through Friday and probably Saturday.

Iceland's Ire Over Fishing Dispute Rises

By EDDY GILMORE

REYKJAVIK, Iceland (AP)—Icelandic anger was reflected in the nation's press today against British naval action in Iceland's fishing dispute with Britain.

A brickbat and smoke bomb demonstration outside the British ambassador's residence Tuesday night was followed this morning with charges of armed aggression and demands that Britain call its gunboats and trawlers home.

Thodviljunn, the Communist newspaper, demanded that Iceland break relations with Britain, its North Atlantic NATO ally.

"Don't negotiate with pirates," it said. "Sever diplomatic relations at once."

Iceland's minister of fisheries, Ludwig Josephson, is a Communist in this country's coalition government.

Reykjavik's other papers had headlines about Tuesday's clashes between British sailors and Icelandic coastguardmen.

"Sooner or later the British will be forced to follow the example of other nations in this matter," the newspaper Pippin said.

"If they don't this might become a very serious dispute, threatening to assume international significance and of great damage to the cooperation of Western nations—particularly NATO."

"This is armed aggression," said Althaydubladid, the newspaper of Foreign Minister Gudmundur Gudmundsson's party.

The coast guard reported there were no overnight incidents in Iceland's coastal waters where British trawlers—(Turn to Page Ten).

Southern Florida Being Roughed Up With Gusty Winds

MIAMI, Fla. (AP)—Squalls on the fringe of tropical storm Ella roughed south Florida today with winds in gusts of 40 to 50 m.p.h. Located 75 miles south of Havana, Cuba, Ella whirled 55 m.p.h. squally winds as it moved with an ill-defined center toward the northwest. It was moving along at 13 m.p.h.

Reduced from hurricane force that took five lives in Cuba, Ella was expected to move toward the northwest at a faster clip today and build up over the southeast Gulf of Mexico.

Gale warnings were flying south of the Greater Miami area and the Florida Keys. Small craft warnings were aloft on both Florida coasts northward to Palm Beach and Fort Myers.

The Weather Bureau said gusts up to 33 m.p.h. whistled through Miami today.

Havana reports said a woman and four children were drowned in the town of Bayamo, 60 miles northwest of Santiago. They were trapped in the waters of a flood-swollen river.

Threatened Law Suits Hang Over Minneapolis Deal

MINNEAPOLIS (AP)—Law suits and threatened law suits hung over franchise negotiations between Minneapolis and the Washington Senators today.

In Washington, Robert R. Rodenberg, identifying himself as a stockholder in the Senators for 29 years and owner of 75 shares, filed a suit in Federal Court to oust Calvin Griffith as Washington president and to enjoin transfer of the club to Minneapolis.

The suit asked \$500,000 damages.

In Minneapolis, there was new conjecture about a possible taxpayers' suit against the city for approving a nine million dollar bond issue, part of it guaranteed by the city, to expand Metropolitan Stadium.

The legal maneuvering further befogged a franchise issue which will come up for a full hearing when the American League meets in Chicago Sunday.

Final Count Shows Traffic Deaths 420

CHICAGO (AP)—The final count of the nation's traffic accidents during the long Labor Day weekend showed 420 deaths, the exact number predicted by the National Safety Council.

In addition, the accident death toll showed 114 drownings and 8 fatalities from miscellaneous causes, including fires and airplane crashes.

The traffic death total compared with 445 for the three-day Labor Day holiday last year and the record high for a Labor Day period of 461 in 1951.

U. S. Faces Crisis Truman Warns In Talk to Legion

CHICAGO (AP)—Former President Harry S. Truman said today the Soviet Union apparently is preparing for war, has been since 1945, and "the danger we face today is a very real one."

Truman said the United States trails the Soviet Union in arms and missiles and "for the first time in science we are behind."

In this missile age, he added, the United States faces "a very real crisis."

He said there never has been a break in Soviet military preparations since the Allied victory over the axis in 1945. At the same time, he said, American armed forces were reduced.

"This, he added, was "a grave mistake."

Truman, in a speech prepared for the 40th annual national convention of the American Legion, said the United States must be ready for war.

Truman's views differed sharply with remarks made to the convention earlier by Defense Secretary Neil McElroy who told the legionnaires the United States is ahead of the Soviet Union in overall military strength and this country and its allies are strong enough to win either a general or a limited war.

Navy Pilot Leaves Idlewild On Trip Around The World

NEW YORK (AP)—George Preston Williams, 34-year-old former Navy pilot, took off from Idlewild today on a projected round-the-world flight in a single-engine plane.

He hoped to fly nonstop to Rome, and complete a circuit of the globe in eight days. He is piloting a four-passenger executive type craft named "Wings for Peace."

The plane was made by the Mooney Aircraft, Inc., of Kerrville, Tex.

Williams, father of five children, said he was a bit sleepy as he prepared for his takeoff. He said he had only about two hours sleep during the night because he was busy making last-minute preparations.

He expects to reach Rome, a distance of 4,312 miles, in 26 to 27 hours. His projected flight thereafter is by way of Bombay, Singapore, San Francisco and Mexico City.

Cambria County Drivers Receive Prison Terms

EBENSBURG, Pa. (AP)—Charles E. Miller, 22, of McVeytown, Mifflin County, and Sonny Jack Jones, 20, of Nanty Glo, Cambria County, have been sentenced to one-to-two years in prison on involuntary manslaughter charges.

The men were sentenced to Cambria County Prison Tuesday on charges stemming from the deaths of three persons in two separate highway fatalities.

A jury convicted Miller in the death of Janice Williams, 18, of Belsano, who was hit by a car last March 9 while walking home from church.

Jones had pleaded guilty in the deaths of Mr. and Mrs. Charles E. Mignot of Johnstown. Their auto and Jones' car collided head-on near Nanty Glo May 24. Jones' car was on the wrong side of the road, state police charged.

EFFORTS TO BE COMBINED WITH NATIONALISTS TO GUARD OFFSHORE ISLANDS

By ROBERT TUCKMAN

TAIPEI, Formosa (AP)—The top U. S. commander on Formosa said today American help is coming to meet the Communist threat to the Chinese Nationalist off-shore islands.

Vice Adm. Roland N. Smoot told a news conference it would take the combined efforts of the Nationalists "and the help of the United States which is coming to overcome the immediate situation" created by Red bombardments of the islands and efforts to blockade them.

Smoot declined to tell what help he meant, saying it would be foolish to give the Communists military information. He also refused to say whether this meant U. S. forces would help defend the off-shore islands, a commitment American officials from President Eisenhower down have refused so far to make publicly.

Smoot is commander of the U. S. Taiwan Formosa Defense Command, which is committed to protecting Formosa and the nearby Pescadores Islands. Congress also authorized Eisenhower to defend any other Nationalist territory he considered essential to the defense of Formosa.

As the Communists continued for the 12th day an artillery attack on the Quemoy islands that might be a prelude to an invasion attempt, Smoot was asked if they could successfully invade or blockade the islands. "They can do neither," he replied.

The Nationalists said they still were getting soldiers and supplies through to Quemoy despite Red attempts to cut it off from Formosa.

Smoot said there are many ways to break a blockade attempt. "As far as the enemy blockade of Quemoy is concerned, I can tell you the Chinese Nationalist forces have not yet begun to fight," he said.

Nationalist forces are almost entirely equipped with U. S. weapons, and Smoot might have been referring to more and different arms for them.

More ships are on the way from the Mediterranean and the United States to join the U. S. 7th Fleet patrolling the Formosa Strait to prevent any Communist strike at Formosa. About 1,000 U. S. Marines are coming from Okinawa for maneuvers on Formosa this weekend. Additional jet fighters have been sent from the United States to Far Eastern bases.

GUAM (AP)—Navy ships and planes abandoned hope today of finding survivors from a C124 cargo plane that crashed in the Pacific off Guam with 19 persons aboard.

The Military Air Transport Service plane crashed Tuesday without any message of trouble, after taking off here for the Philippines.

Preliminary investigation of recovered materials established that the plane from Travis Air Force Base, Calif. did not explode, the Air Force said.

A MATS investigator is en route here to probe the cause of the disaster.

An Air Force spokesman said that only two, instead of three, bodies as reported Tuesday were recovered. The plane carried a crew of seven and 12 passengers. All were servicemen.

Kinzua Dam Bill Signed As Money Is Held In Abeyance

WASHINGTON (AP)—The huge billion dollar public works appropriation bill signed Tuesday by President Eisenhower includes several Pennsylvania projects for which approximately 37 million dollars have been allocated.

The largest of these is a 13 million dollar appropriation for deepening of the Delaware River between Philadelphia and a point below Trenton, N. J. The channel is being dredged to 40 feet.

The next largest sum is 10 million for the New Cumberland locks and dam.

And for the second straight year, a million dollars has been provided for the proposed flood control dam at Kinzua in Warren County.

The congressional committee recommendation on the Kinzua dam site directs that the money be held in abeyance pending outcome of a court appeal.

The appeal, by the Seneca Indians of New York State, is currently before the U. S. Circuit Court in Washington. The Indians are seeking to halt construction of the 111 million dollar dam because land ceded to them by U. S. treaty would be flooded by the project.

Their attorneys have indicated an appeal will be taken to the U. S. Supreme Court if the Circuit Court ruling is unfavorable. A U. S. District Court earlier refused to grant an injunction halting the construction.

Appropriations for other Pennsylvania projects in the bill includes: Bradford, \$2,750,000.

Miss Pennsylvania Radiant As She Walks the Boardwalk

ATLANTIC CITY (AP) — Miss Pennsylvania rode radiantly down the boardwalk Tuesday night, her lovely costume fluttering in the rarified atmosphere of this September capital of beauty and talent.

If Rosalie Samley never advances another step up the stairway to glamor and glory, this will remain in her memory as one of her finest hours.

Yet the 20-year-old Penn State coed from Bethlehem confessed that in the midst of it all, with the brilliant lights full upon her place in the cavalcade and admiring crowds applauding, she was think-

ing of what is coming today. This will be the night for the first phase of preliminary competition.

Rosalie, a ballet dancer, will show her skill before a throng in Convention Hall.

Those who run this super-show are placing more and more emphasis upon talent competition each year.

Knowing that Rosalie determined to be at her best.

She was cheered on in her purpose by the family—her parents, Mr. and Mrs. Charles Samley, and her brother, Charles, with his wife, Nancy.

For two summers Rosalie was a mail clerk at Bethlehem Steel.

Her friends there didn't forget. They sent a rousing telegram Tuesday, expressing the sentiment that if she weren't chosen Miss America she ought to be.

Probably the most cherished of all good wishes came before she left home, in a telephone call from Robert Weinwasser of Philadelphia, a Penn State senior.

Weinwasser is blind. As a member of the Delta Alpha Delta sorority, Rosalie devotes several hours a week reading to him throughout the academic year.

Miss Pennsylvania rode on a white float in the parade. Sponsored by the Bethlehem Chamber of Commerce and luncheon clubs, its motif was the spirit of the nation's Christmas city. The float later won first prize for floats from visiting states.

The state queen's gown was light blue strapless tulle, the bouffant ruffled skirt adorned with deeper blue roses on one side. A white fox fur was worn off the shoulder. Long white gloves and white shower earrings completed the ensemble.

Mirrored in Our Times

Today is one of those days for parents—some had a boy or girl starting out for the very first time and the pangs of parting may have diminished somewhat by now (or may continue for a few weeks with protests and trouble predominating). We can recall the very first days of school, but with two just entering junior high school and one headed toward high school, we realize that this is only the beginning. Soon they'll all be college-bound (we hope) and those pangs of parting will be even more significant. Nevertheless, it doesn't seem possible that summer is over and routine is bound to set in. It will be good for all concerned (or so they say!).

Every once in a while we hear from a reader with a very special suggestion as to our column content. One of our most delightful citizens, who has been hospitalized for quite some time, called to remind us that another local, prominent citizen had recently judged a beauty contest and was, therefore, qualified to be on hand for the "Miss America" parade in Atlantic City. It's not often that Warren becomes so famous—however, we have it on very good authority that the fellow with experience will not

be on the Board Walk when the gorgeous girls promenade.

Getting back to the "getting back to school" department and thinking of beauty at the same time—we immediately refer to all "sweet young things" who need to know about a special skin treatment at a special price! We refer to stubborn skin oiliness, blackheads and oiliness as well as a perfect, make-up base. So few girls (or women) are blessed with exquisite skin—and so many seek the right beauty preparations to make lovely skin possible. We found an ideal special offer, created to assure a complete medicated beauty treatment for the most difficult skin problem. You'll need a deep cleanser; a medicated beauty mask and a fine pore lotion to launch your beauty treatment.

The Warren Drug Store features a special program for your skin—famous Helena Rubenstein's trio is waiting for you right now!—a remarkable presentation that will work wonders for you. Stop in soon and take home your Helena Rubenstein value—a complete medicated beauty treatment—regular \$4.75 value—just \$2.95 for a limited time!

Our younger generation stacks up pretty well when it comes to the "know how" of what to wear when! That can only come from at-home training where the son takes a good look at Dad and realizes that "there's a guy who knows what to put on no matter what the occasion!"—Boys today look to their fathers to select values in style-right clothes and fathers, today, know the meaning of versatility when they select wardrobes for every season of

Nevertheless — you "mighty oaks" might just as well bend in the direction of The Style Shop and select the "best in menswear." Set an example for your sons and be well-dressed at all times. Bend a little, Dad, and look your best while you pay practical prices for seasonable wardrobe needs at The Style Shop. Now's the time and you won't regret the stop!

If you don't take time to be able to vote; if you enjoy the things that the average voter appreciates (but don't register to vote) — buddy — you've no voice in any branch of government! And—if you've already registered and don't vote during the general elections — you've nothing to say either!

Six weeks from now, you'll be glancing at the report cards! Summer is over! But, on Friday you can escape from these facts and attend the annual Flower Show at The Woman's Club. It's really wonderful to see the unique arrangements featured and we hope you'll attend.

4-H Dress Revue Is Attended By Three Area Girls

Three Warren County girls participated in the northwest district 4-H dress revue, August 28th in Brookville.

They were Georgia Skinner, Lander; Jean Allen, Sugar Grove, and Nancy Curtis, Columbus.

A Lawrence County girl was selected winner and will represent the district in State eliminations in September. She will compete for honors with three other girls, one from each of the other three districts in the State. If she wins State honors she will get an all-expense trip to the National 4-H Club Congress in Chicago in December.

Girls taking part in the district dress revue and one local 4-H leader from each county were luncheon guests of the Pennsylvania Chain Store Council.

Nancy, Jean and Georgia, Warren County girls, were among the 48 girls from 16 counties in the northwest district who took part in dress revue and modeled the dresses they made this summer in their 4-H Club project. Participants at the district revue had been

Changes In Civil Defense Act To Be Revealed Friday

HARRISBURG (AP) — Recent changes in the national civil defense act will be spelled out for state officials at a meeting here Friday with Leo A. Hoegh, director of the federal Office of Defense and Civilian Mobilization.

Gov. Leader said the meeting is to explain changes in the 1950 act which make the federal government a full partner with the state in the civil defense program.

Previously, home defense was left to the states and local communities.

The legislation authorizes the federal government to provide funds to the states and their political subdivisions for the employment of personnel and other administrative purposes, provided state and local civil defense employees are placed under some sort of civil service system.

Under the act, the various states also will receive large numbers of radiation detection devices and other vital needed radiological defense equipment.

Son of Local Family Overseas Building of Longest Cantilever Span in the United States

A former Warren High School student, who compiled a brilliant record at WHS and later in University of Pennsylvania, recently completed his job as resident engineer for Bethlehem Steel Company on the Greater New Orleans Bridge.

Leslie L. "Bud" Feidler, Jr., son of Mr. and Mrs. L. L. Feidler, Sr., 5 Alexander street, tackled the bridge construction supervision as the latest challenge in a career which has carried him from job estimator

to directing such Bethlehem projects as the Atomic Energy Building at Chillicothe, Ohio.

The 31-year-old civil engineer came to Warren from Los Angeles with his family in 1943, graduated from WHS in 1944,

then took his BS Degree from Pennsylvania University in 1948. Immediately thereafter, "Bud" was employed by Bethlehem in the company's Loop Course for college graduates and spent two and one-half

years of intensive training in all phases of steel fabrication and erection, which he has made his career with Bethlehem.

In acting as resident engineer for Bethlehem at the erection of the Greater New Orleans Bridge, Engineer Feidler directed completion of the longest (1,575 feet) cantilever span in the United States, and third longest in the world.

First place for length is held by the Quebec, Canada, bridge over the St. Lawrence, which was erected in 1917. The famed railway bridge built in 1889 over the Firth of Forth, in Scotland, is second longest.

The Greater New Orleans bridge, connecting Orleans Parish and Jefferson Parish, has a main cantilever span of 1,575 feet which rises to 150 feet above high water. The anchor spans are respectively 853 feet and 591 feet long, giving the bridge proper, without approaches, a total length of 3,019 feet. The approaches add another 9,100 feet to the length.

The roadway is 32 feet wide, curb to curb, and there are two 3-foot-wide sidewalks. Because of the difference in the length of the two anchor arms, roadway of the shorter one will be floored with a 7½-inch-thick concrete slab to provide needed additional weight to balance the cantilevered section. Remainder at the bridge is floored with steel grating covered with a bituminous concrete riding surface.

Bethlehem Steel fabricated 16,444 tons of steel for the main portion of the bridge.

When the \$12,268,850 contract held by Bethlehem was completed, the company had also supplied and installed about 900 tons of eye bars, 100 tons of reinforcing steel, 1,400 tons of grid flooring, 10 tons of aluminum grating, 6,000 lineal feet of handrail, 800 cubic yards of concrete, the entire deck drainage system, and all water and aerial navigation lights and some electrical work.

Engineer Feidler, who maintains a permanent home in Mt. Lebanon near Pittsburgh, married the former Jane Sharrer of Pottstown and the couple have two children, Beth, aged 6, and Mark, 2. As project manager for Bethlehem's Pittsburgh Erection District, Feidler has had charge of such projects as the 36-acre atomic energy development near Portsmouth, Ohio; a 30-story office building at Nashville, Tenn.; major additions to manufacturing buildings at Sharon, and additions to steel plants at Aliquippa. He is currently back in the Pittsburgh office.

Mr. Feidler, Sr. operates the Nationwide Store at the corner of Pennsylvania avenue east and Franklin street. A brother, Ed Feidler is a sales supervisor with Kraft Cheese in Buffalo. Mrs. Feidler, Sr., is the former Maude Maybank of Warren, daughter of the late Mr. and Mrs. George Maybank.

MRS. JAMES A. CONNELLY, II.

Miss Susanne Payne Hough, daughter of Mr. and Mrs. Les-
Vreeland Hough of Somer-
ville, N. J., was married at
3:00 p. m. August 23 to James
Alexander Connelly, II, son of
Mr. and Mrs. Bernal Connelly
of Ludlow.

The ceremony was performed
in St. Paul's church in Pince-
ton, N. J., by the Rev. Edward
C. Henry, with the reception
following at Nassau Tavern
Hotel in the same city.

The bride, given in marriage
by her father, was attired in a
gown of white silk taffeta,
fashioned with empire neckline,
princess-style waist and long
sleeves. The bouffant skirt,
trimmed in alencon lace, ended
in a chapel train. Her finger-
tip veil of silk illusion fastened
to a coronet-crown, and her
flowers were a cascade of steph-
anotis and phalaenopsis orchids.

Mrs. Randall Kermit Nord of
Coronado, Calif., sister of the
bridegroom, was matron of
honor. The bride's only other
attendant was Miss Janice
Thompson Hall, Somerville.
Their gowns were of ice blue
taffeta, with bouffant skirts

and sweetheart necklines. Mrs.
Nord carried a cascade of yel-
low sweetheart roses and ivy,
while Miss Hall's bouquet was
a similar arrangement of pink
sweetheart roses and ivy.

Lawrence Rowe, Scarsdale,
N. Y., served as best man; ush-
ers were Peter Mark Hough of
Somerville, brother of the
bride; David Shearer, East
Hartford, Conn.; and John Paul,
Irrington, N. J.

Mrs. Hough, mother of the
bride, wore sapphire blue chif-
fon, white accessories and cor-
sage of white phalaenopsis
orchids. Mrs. Connelly, the
bridegroom's mother, chose
azure blue chiffon, matching ac-
cessories and white orchids.

After a wedding trip to Ber-
muda, the couple will reside in
Lansdowne, Pa., and Mr. Con-
nelly will be a student at Uni-
versity of Pennsylvania Law
School.

Mrs. Connelly, graduate of
Somerville High School and of
Mary Washington College of
the University of Virginia,
Fredericksburg, is the grand-
daughter of the late Mr. and
Mrs. Alexander Brooks Hough,
High Bridge, and the late Mr.
and Mrs. Edwin Frederick who have classified ads.

Payne, of Clinton, and Coral
Gables, Fla.
Mr. Connelly, grandson of the
late Mr. and Mrs. James Alex-
ander Connelly of Ludlow and
the late Mr. and Mrs. Thomas
Cunniff, Sheffield, was gradu-
ated in 1965 from Princeton
University, where he was a
member of the Elm Club. He
served three years as a lieuten-
ant in the U. S. Marine Corps
Reserve.

Hill and Dale Show Open To All Corners

LANDER — Hill and Dale
Garden Club extends a cordial
invitation to all garden and
flower enthusiasts of the area
to place exhibits or come to
visit its annual Community
Flower Show in the Lander
Methodist parish house on
Thursday, September 11, from
2:00 until 9:30 p. m.

This is the club's third an-
nual show and its second to be
approved by the Garden Club
Federation of Pennsylvania.
Appropriately, its theme is to
be "Summer's Reward".

Entries will be accepted
Wednesday evening, September
10, from 7:00 to 9:00 p. m., and
on the day of the show until
10:30 a. m. Any exhibits re-
ceived after that hour will be
shown in a non-competitive
class.

Exhibitors must furnish their
own containers, and must fol-
low schedules. Decision of the
judges will be final, and no ex-
hibit may be removed until the
show has closed to the public.

Classifications set up by the
committee will come under sev-
en different sections:

Horticulture-annuals — Mrs.
Elmer Swanson and Miss Flo-
sie Broughton chairmen.
Arrangements—Mrs. Conrad
Youngberg and Mrs. Walter
Sweeney; including an invita-
tion Class with student judges;
and miniatures, for which Mrs.
Delmar Mickelson will be
chairman.

Potted Plants—Mrs. Donald
Barrett and Mrs. Norman Ab-
bott.

Junior Department — Mrs.
Scott Stuart, Jr., and Miss
Dorothy Fisher, with cash prizes
for first and second places.

Education—Mrs. Myron Lud-
wick.
Commercial.
Requirements for individual
entries will be announced in
these columns within a few
days, and must be strictly ad-
hered to if they are to be con-
sidered for competition.

Observe Anniversary

More than 150 friends and
relatives, many from out of
town, gathered in the YWCA
activities building to help ob-
serve the 25th wedding anniver-
sary of Velma and Clarence
Swanson, seen above in a pic-
ture taken by Florence Daniel-
son.

The Swansons received their
guests in a reception room re-
splendent with red roses, tall
white tapers and silver foliage.
Moving into the dining area,
tables for four were centered
with white tapers and silver
leaves; and, at one end, a long
table, done in red-rose and silver
leaf motif, held a beautiful four-
tier cake, along with silver tea
and coffee service. Mrs. H. A.
Backstrom, Mrs. Richard Neely
and Mrs. Kenneth Brown were
at the punch bowl.

Enhancing this beautiful set-
ting was soft violin music by
Mrs. Frederick Olson, with her
sister, Mrs. Emmett Morrison,
as piano accompanist. With the
dining area crowded and late-
comers seated in the reception
room, the Swansons' brother-in-
law, the Rev. Marvin Samuelson
of Minneapolis, Minn., extended
greetings and best wishes to the
honored couple. As master of
ceremonies, Rev. Samuelson then
presented the following pro-
gram:

Vocal solo, "I Love You
Truly", Viola Landmark; origi-
nal reading, "The Life And Love
of Clarence and Velma", Mrs.
Martin Swanson; brief message,
"The Christian Home", Rev.
Fred Miller; vocal solo, "We
Thank Thee, Lord", Rev. Stuart
Perrin; prayer, Rev. Paul Obing-
er.

Bringing the program to a
close, Elmer Samuelson called

for toasts to the couple and, in
response, Mr. Swanson express-
ed to all thanks for their friend-
ship and love and presented
their children, James, Barbara
and Allan, and their mothers,
Mrs. C. O. Swanson, Center
street, and Mrs. Orval Albaugh,
Crescent street. All joined in
singing "Blest Be the Tie" and
grace was offered by Rev. Sam-
uelson. Mrs. Robert Donham
was accompanist for the singers.
Refreshments were then en-
joyed, with Mrs. Henry Blick,
Sr., Mrs. Arnold Fitzgerald, Mrs.
Stuart Perrin and Mrs. Vincent
Johnson pouring. Barbara Swan-
son managed the guest book,
and a delightful event, conclud-
ed with opening by the honored
ones of their many beautiful
gifts.

Out of town guests included
Rev. Samuelson, his wife and
sons, John and Bob, Minneapo-
lis; Rev. Miller, wife and son,
Larry, of Cedar Rapids, Iowa;
Rev. and Mrs. Perrin, Kane; Mr.
and Mrs. Sidney Johnson,
Jamestown; Jerry Biss, Akron,
O.; Mr. and Mrs. Vincent John-
son, McKeesport; Rev. and Mrs.
H. L. Cartwright, Mr. and Mrs.
Howard Brown, Starbrick; and
many others from nearby com-
munities.

The Swansons are lifelong
residents of Warren, Mr. Swan-
son having built up a fine ac-
counting business with offices
in Fourth avenue.

Son of the late C. O. Swanson,
he has been vice chairman of
Calvary Baptist church for a
number of years and, for 10
years prior to that office, had
been general superintendent of
the Sunday school. He has held
many offices in both the Middle
East Baptist Conference and the

Baptist General Conference of
America, serving as moderator
for the annual sessions of the
latter organization three years
ago.

Mrs. Swanson, whose father
was the late O. W. Albaugh, is
a talented musician, serving the
church as organist and choir
director, also as department
pianist in the church school. She
is presently serving as president
of the Women's group and is on
the women's board of the Gen-
eral Conference.

Spring Creek Man Is New Oil City Pastor

Moving today to the parson-
age at 36 West Fourth street,
the Rev. Cassius Armitage of
Spring Creek is the new pastor
of Oil City Christian and Mis-
sionary Alliance church, suc-
ceeding the Rev. William Un-
derwood.

Native of Spring Creek, Mr.
Armitage attended Toccoa
Falls Bible Institute at Toccoa,
Ga., and was graduated from
Nyack, N. Y., Missionary Col-
lege. Completing his theological
training in 1951, he founded the
Excelsior Full Gospel Christian
and Missionary Alliance church,
Spring Creek area, and has
also served the Cobbs Corners
CMA church for the past three
years.

Under his leadership, the Ex-
celsior membership has grown
from 12 to 100; Cobbs Corners
has doubled its membership.

The Armitages have five
children: Joyce, 16; Beverly, 11;
Ronald, 10; Dale, 8; and De-
borah, 6.

EPWORTH WSCS
President Beathea Granquist
conducted the monthly meet-
ing of Epworth WSCS, held in the
church parlors. It was announc-
ed a WSCS Workshop will be
held at Grace Methodist church
September 23.

Mrs. Granquist gave a very
interesting resume of programs
presented during her two days
at Chautauqua. Jane Tucker and
Neva Carnahan were in charge
of the program; Laura Johnson
led the devotional service; Be-
athe Circle served as hostess
group. The meeting closed with
all joining hands and singing
"Blest Be the Tie".

Luther League at Ludlow Is Setting Up Programs for Coming Season

LUDLOW — Carol Ralston
conducted the quarterly session
of Moriah Luther League held
at the church, with plans com-
pleted for programs through
January. Devotions were given
by Wayne Olson, devotional
secretary, who is also acting as
League prayer chairman for the
parish evangelism emphasis,
working with Edith Larson,
chairman of Prayer Emphasis.

The program, "What Would
Christ Think of Our Luther
League?" was given by the en-
tire group, followed by an in-
teresting forum. The Leaguers
had anticipated camping at
Lutheran Conference Camp at
Lake Chautauqua the weekend
of September 7, but due to for-
mer commitments of adults
needed to accompany them,
plans could not be completed.
Instead, plans are being made
with the camp to spend a week-
end in June as a League, with
counselors already being ap-
proached and other leagues in-
vited to join them.

Roller skating will be re-
sumed later under the same
plans as last year. Program-
ming scheduled for the League
includes a practical work hour
at 7:30 p. m. Monday, Septem-
ber 8, when they are to bring
old, soft white shoes, cloth or
shirts for bandage rolling. Sep-
tember 22 at 7:30 p. m., the
League will use the program
"Loyalty to My Luther League."

At the October 13 meeting,
plans will be made to attend
the Evangelism Mission; a
Hallowe'en party is scheduled
October 27, each to bring a
Harvest Gift for the Gustavus
Adolphus Children's Home in
Jamestown, Ken and Everett
Larson to be hosts.

The November meeting will
stress Stewardship, when a
self-denial gift will be empha-
sized as well as a gift of school
supplies for Japan. A practical
workshop to make special
Christmas gifts will be held in
November and December, or
earlier if necessary, in charge
of Wayne Olson. Big plans are
in effect for December, to be
announced later.

Youth Week will be empha-
sized in January, with a special
worship service Sunday, Janu-
ary 25, and a family film
shown to the public.

Discussion included a Camp
Bank, with Judy Johnson as
secretary and Wayne Olson,
treasurer; camp scholarships,
to be voted upon at the next
meeting, after a point system
has been worked out by the
counselors, Mr. and Mrs. Enoch

Nelson and Rev. Carl Ellason.
Leadership candidates are
voted upon by the League and
passed by Church Council and
conference delegates are top
officers for the next year if the
League pays expenses. Every-
one is urged to go who can pay
his own expenses to Mt. Trem-
per. Half-expenses are paid for
children who go to Camp Corn-
planter. No definite plans have
been made as to payment of
camp expenses at Chautauqua
Camp, but tentative ideas are
being studied.

Under its budget, Moriah
church gives \$100 toward Lead-
ership School and Moriah
Churchwomen give \$50 toward
camp costs. Last year, Moriah
Churchmen also gave \$50. This
year the League hopes to re-
ceive an offering to aid expenses
when they show the family film
in January. All obligations to
district and conference budgets
are paid as soon as possible in
the years through offerings.

Hostess for September 22 will
be Emily Johnson; Robert Carl-
son will entertain October 13;
Janelle Carlson will be hostess
November 24.

The Mature Parent

Adolescent Rebellion Is Natural and Beneficial

BY MRS. MURIEL LAWRENCE

Right after dinner on Friday night Betty got a telephone call. After completing it, she returned to the living room, turned off the sound of the TV movie her parents were watching and said, "Joan says she can't have the crowd at her house tomorrow night because her grandparents are coming. I can have the kids here, can't I?"

Her father said, "I think that Mother has planned something herself for tomorrow night."

Her mother said, "Yes, dear. I've invited the Brownes for dinner and bridge."

Betty said coldly, "Does that mean I can't have my friends over?"

"It does," her father said amiably.

There was a tense pause. Then Betty exploded. "Gosh, I'll be glad when I have a piece of my own!" she cried. "Will I be glad when I can have kids in when I want them instead of asking your permission?"

Which was exactly how an 18-year-old person should feel. In adolescence the young have to begin to rebel against the disadvantages of living with us in order to seek the advantages of living without us.

If we understand this, we don't feel obliged to soften all the disadvantages but can sustain their rebellion without hurt or apology. Parents who feel it necessary to grant all adolescent demands deny children opportunities to feel their rebellion is justified.

They are less generous than they think they are. By always submitting to demands for the living room, the car, the extra \$10, such parents retain their reputation for "kindness" at a high cost to their youngsters.

For what happens is that Betty and Hank lose their conviction that they have a right to fight them—and begin to reproach themselves for wanting to take leave of such wonderful parents.

No young person can cut his childhood ties to us without struggle. By making Betty's life with us too comfortable, we delay the struggle.

So we are truly generous when we expose her to the realistic disadvantages of dependence on us—and accept her rebellion against them as good for everyone.

Twelve Augustana Synod Lutheran Churches Having Evangelism Week

LUDLOW—Inaugurated last January, a planning program for Allegheny Area, Augustana Lutheran Church, will culminate October 12-16 in a special Evangelism Mission Week. Moriah of Ludlow, Bethany of Sheffield, and St. Paul's in Warren are among the 12 churches included in the area.

All over the United States, this emphasis on evangelism has been at work since 1952, wonderful results having been noted in Christian inspiration and dedicated responsibility on the local level, as well as in the total church.

It is pointed out an area evangelism mission week has the advantage of combined effort and fellowship when churches preach, teach, reach and pray together. Its purpose is to "Teach the Word of God for deepening of faith; to Preach Christ Crucified for personal commitment; and to Reach people everywhere for Christ and His Church."

A Preaching Mission is held in each congregation, by a mis-

sioner selected by the local pastor and church council, beginning Sunday morning, October 12, and continuing Sunday evening and each evening thereafter through Thursday.

A Teaching Mission will be held at First Church in Jamestown on the afternoon of October 12 for committees, pastors, church councils, and others interested, when a School of Evangelism will be conducted. In addition to training received by chairmen in months past, lay visitors will be instructed in the work of evangelism.

A Reaching Mission is to be held in every one of the 12 churches of Allegheny Area, when lay visitors will call two-by-two at homes of local church members the week of October 5 in an in-reach program; also at homes of the unchurched during the actual Mission Week as the out-reach phase.

A Prayer Mission is to be held in each congregation, and a Call to Prayer is to be given by the prayer chairman at all

Science Keeps '58 Coed Neater

It's back to college with a wardrobe that's easy to take care of and pretty to look at. This college girl (left) washes out clothes in the dorm bathroom, hangs them to dry on a portable laundry rack which unfolds to hold everything. A homemade drip pan of aluminum foil catches the water as the clothes

dry. She wears (center) powder blue blouse in a mixture of silk and a synthetic and permanently pleated skirt over washable crepe. Both drip dry, of course. Another drip dry outfit is (right) the little shirtwaist dress in handsome plaid with permanent pleats; this is just right for class wear.

BY ALICIA HART, NEA Beauty Editor

The college lass returning to the campus this fall will find the upkeep of her clothing a lot less expensive and time-consuming than in past years.

Not only can her wardrobe be 100 per cent washable, but she can sub a complete outfit at night and wear it the next morning without so much as a peek at the ironing board.

The campus belle of a few years ago can eye today's coeds with something akin to envy. For she might very well see a gal fill a basin with rich soap or detergent lather and dunk in a "velvet" prom frock or a sleek date dress that resembles the softest wool.

"Velvet" made of nylon pile is lovely to look at and takes to suds as naturally as cotton. It drips dry, too, and is ready for the next glamor party without further ado.

All the favorite campus fashions, from Bermuda shorts to slacks, skirts, sweaters and other popular separates come in drip-dry fabrics. And you can choose from the ever-popular plaids and stripes through an array of lovely solids.

Care of these wash-and-wear togs is simple, if you remember to launder them promptly after

each wearing so that the dirt is not ingrained.

Special soil spots, particularly around collars and cuffs, should be massaged with a paste of soap before immersing the entire garment.

The rich lather should be gently squeezed through the garments. They should never be twisted or wrung.

Drip-dries should be hung carefully on plastic hangers while they are sopping wet. It's the weight of the water that pulls out the wrinkles.

Ironing can be eliminated or

cut down to a mere touch-up if the clothes are hung with care and "finger-pressed" while still damp. Pleats should be kept in shape by closing with clip clothespins.

Seams should be straightened, and collars, cuffs or lace trim carefully shaped before the garment dries.

Yep, coeds, you can cut down your budget and look pretty and fresh at all times with these wonder fabrics. Even date-bait items in the dorm closet can come under the wash-and-wear category. And it seems like the prettier they are, the simpler they are to care for.

meetings of congregation groups. Lutheran Mission Week will mean for all in attendance a re-thinking of personal lives with God; and a re-study of the church and its responsibilities to God and Man.

At Moriah church, evangelism emphasis began August 17, Pastor Carl Elason alerting the parish under the theme "Christ Calls You" with a sermon, "Righteous Before God." Continuing August 24, the pastor's topic was "The Gifts of Tongue and Ear"; Luther Leaguers, Carol Ralston, Janelle Carlson and Wayne Olson presented a skit, "God's Guestposts." On August 31, Edith Larson emphasized Prayer at the morning worship.

The local parish is fortunate to have as its October missioner the Rev. E. E. Kron, of Bethany church of Olean. He is described as outstanding in his youth and evangelistic outreach and will bring great enthusiasm to this Mission Week for Christian meditation.

Committee at Moriah includes Pastor Elason as chairman; John G. Johnson, vice chair-

man, and these additional chairmen: Edith Larson, prayer; Gustav Olson, lay; Enoch Nelson, youth; Mrs. Lawrence Larson, visitation; Mrs. Enoch O. Nelson, publicity.

Officers of the U.S. military forces with five-star rank are considered to remain on active duty and in theory do not retire.

JULIE WENDELL IS BIRTHDAY GUEST

DAR Membership Has Plans in the Making

Programs for the 1958-59 season are being mailed this week to members of General Joseph Warren Chapter, Daughters of the American Revolution. Theme for the new year is "The Fruits of Freedom: These are the fruits of our American heritage—our Christian faith and principles, our constitutional government, our free country, and the freedom of the individual; these are our shield and hope."

The monthly programs will develop this theme and will also present the three DAR Objectives: Historical Appreciation, the Past; Patriotic Endeavor, the Present; and Educational Training, the Future.

The Chapter will be honored by visits of two state officers, Miss Martha Kier, chairman of American Indians, and Mrs. F. A. Paul Ziesmer, chairman of approved schools, who will be speakers at October and April meetings, respectively.

General Joseph Warren Chapter ranks high in giving for scholarships for St. Mary's School for Indian Girls at Springfield, S. D., and to Bacon College for Indian Young Men and Women at Bacone, Okla. St. Mary's is an Episcopal school receiving 75% of its support from the church and 25% from the DAR. Bacone is a Baptist institution.

The DAR-Approved Schools program includes full support of two DAR-owned schools and partial support of 11 other schools, not including the two Indian institutions already mentioned. All are for the education

of underprivileged boys and girls who, otherwise, would not have educational opportunities. Chapter members will be notified later concerning Regents' Day luncheon plans, this event to be held in the YWCA activities building at 1:00 p. m. Thursday, October 9.

Hostesses for Show on Friday

One of the pleasant features of the Flower Show at the Woman's Club each season is the informality of surroundings and the opportunity of chatting with acquaintances old and new.

Mrs. W. N. Hutchings will serve as social chairman for the show being held this Friday at the club auditorium, under the co-sponsorship of the Woman's Club and Warren Garden Club, and will have the following as her hostess committee:

Mrs. J. W. A. Luce, Mrs. Joseph DeFrees, Mrs. R. J. Wilson, Mrs. Merle Kremer, Mrs. William Fuellhart, Mrs. Quay McCune, Mrs. Palmer Davis, Mrs. Warren Stone and Mrs. Harry Logan, Sr.

Entries must all be in place by 10:00 a. m. Friday, so that judging may be completed in time for the opening to the public at 2:00 p. m. Continuing until 9:00, the exhibit is open to the public and again it is emphasized there is no charge for admission.

HOBBY SHOW PLANS ARE PROGRESSING

Mrs. Roy Kerr entertained committee members for the YWCA Hobby Show for a dessert-meeting at her home in Conewango avenue extension. According to reports presented, plans are progressing nicely for the 1958 show, scheduled for Friday and Saturday, October 17-18, at the YW.

Enthusiasm is high among members of the committee, all hoping for exhibit of a variety of all description. Anyone interested may call the YWCA, 450, or send a card to the "Y" in Warren. Mrs. Kerr and Miss Margaret Wright, co-chairmen for the affair, will announce more detailed information a bit later.

REBEKAH LODGE BEGINS NEW SEASON

Lady Warren Rebekah Lodge will have its first fall meeting Friday evening, following a summer recess of two months. Noble Grand Enola Brenton requests a large turnout for both the tureen dinner at 6:00 and the business session following at 8:00.

FAMILY SUPER SUGAR GROVE

Members of the Methodist church will have their monthly family supper at 6:30 tonight, those attending to bring a tureen and table service. Doris Bloomster will talk on her mission work at Bstf, N. M.; Mrs. Clifford Storms, Mrs. Leonard Briggs and Mrs. Stanley Meelen are in charge.

Subsidized Marriage Is A Contract Six Must Sign

With married students no longer a rarity on college campuses, here's a problem that must arise fairly often.

A mother writes: "My daughter, who finished her freshman year in college, is engaged to a boy she met at school who will also be a sophomore this fall."

"My daughter tells me that they want to be married and figure they could manage it if we increased her allowance and the boy's parents increased his."

"He has already talked it over with his parents and they said it was up to us. If we were willing to pay half of the young couple's living expenses, they would pay half."

"My husband and I have talked it over and we aren't sure whether we should agree to the plan or whether we should tell our daughter they will have to wait to marry until they can support themselves. We would like your opinion on this question."

I can't give an opinion on this matter as it affects your daughter because I don't know either the girl, the young man or either set of parents. Such a plan might work out well for one young couple and give another young couple the idea that their parents will always be there to fall back on.

This is a matter the six of you will have to decide for yourselves. But I will say this—I don't think you have any responsibility for subsidizing a marriage between two young people who have three years of schooling still ahead of them.

Having to wait a while to be married never hurt any young couple who are really in love. And a marriage, supported by parents, isn't really a complete marriage.

It is a marriage that doesn't demand much responsibility of the young couple. A few years of having a marriage without responsibility might not be the best preparation for the years ahead when responsibilities will be great.

After consideration you may decide that in this particular case you think a subsidized marriage will work out all right. If you do, that's fine. But at least these are points that should be considered

New County Special Education Supervisor

Warren county special education teachers welcomed Miss Elizabeth Snebold, their newly-appointed supervisor, with a recent dinner party at the Blue and White Restaurant.

In presenting to Miss Snebold a bouquet of flowers and a corsage, Mrs. Kenneth Corey, speaking for the group, pledged whole-hearted support and co-operation.

She emphasized the spirit of togetherness which has always been in evidence in the Department of Special Education, under its administrative and supervisory leadership by John Mallory, Jr., Warren county superintendent.

Miss Snebold comes to Warren county from Pittsburgh, where her work in the field of special education was widely recognized.

In attendance at the dinner, which was arranged by Mrs. Lella Biss, were Mrs. Avis Rosendahl, Mrs. Rena Nelson, Miss Edith Chamberlain, Miss Sallie Weiler and Mrs. Gertrude Allenson.

UNLUCKY EXPERT FOILED AGAIN

Now listen to his tale of woe. "I hold no brief for my takeout double. Perhaps a simple overcall would have been better. When my partner was able to go to four hearts over North's three spade bid, I certainly held a sound raise to five. At my next turn to bid, the opponents were in six spades and I certainly held a most tempting double, but my luck had been running so badly that I decided to pass. When my partner doubled, I felt that we just would have to show a nice profit. Now see what happened."

You readers can see what happened. The unlucky expert opened the king of diamonds. Eventually South guessed the correct club play and made his vulnerable slam.

As for the poor unlucky expert, I feel for him and hope you do also. He was smart enough not to double the six spade contract and once he failed to double, his partner should have realized that six spades was very likely to make. Obviously someone was void of hearts. East should have bid seven hearts and taken his small loss.

From France come these new fall handbags that show sleek design coupled with loving workmanship. The elongated bag (left) in sweet cell is an unusual clay-green color. It's lined with white lambskin, has heavy gold metal frame and clasp. The traditional great-bag is done here in black, seal-grained calfskin (right). This is a spacious bag, an ideal traveler.—By GAIL DUGAS, NEA Women's Editor.

HOME LEAGUE

Home League members of the Salvation Army will hold their regular meeting in the recreation rooms of the citadel at 8:00 p. m. Thursday. The program will deal with Education, with Betty Parker and Myrtle Duckett leading the study on Enriching Family Life. Mrs. Charles Schaffer will lead devotions; refreshments will be served by the social committee.

Members of the League are busy with plans for their annual bazaar September 11-12 on the citadel's second floor. Plans call for a Little Country Store, with groceries, jewelry, fancy-work, parcel post packages. There will also be a fish pond. Games and music for entertain-

ment, and refreshments will be available.

Literal meaning of the word "veto" is "I forbid."

The Greeks immortalized their native honeysuckle in marble. It was their favorite flower motif, often used to ornament mouldings.

CALVARY BAPTIST CHURCH ACTIVITIES
Guest speakers at Calvary Baptist church Sunday were: John Carrara of Lake Mohawk, N. Y., evangelist who is held special meetings in Warren, and the Rev. Fred Miller of Cedar Rapids, Iowa, a former pastor of the parish. Mr. Miller was guest soloist in both morning and evening services. Also among out of town guests were Jerry Biss and Edward Emerson, Akron, and the Rev. and Mrs. Mervin Amelsson and sons, of Minneapolis, Minn.; Miss Margaret Titus, Elm Park, Conn.; Mrs. Carrara, and Larry Miller.

Parish events this week include midweek service at 7:00 p. m. today, followed by Christian education committee at 7:00 p. m. Saturday. In addition to routine reports heard at the quarterly business meeting of the parish, members accepted a new slate of Sunday school officers and teachers; approved a speaker of the ideon Bible Association September 21; named as a pulpit committee, Mrs. Carl Elmquist, Hugh McKelvey, Kenneth Brown, Clarence Swanson and I. A. Backstrom; approved subscribing to the "Standard" conference news-sheet, on an indefinite basis.

Gathered From The Party Line

Mr. and Mrs. James Pentz, who have been guests of the latter's sister, Mrs. Alfred Holter of Pennsylvania avenue, east, are returning to their home in Harrisburg. Mrs. Holter will accompany them some to spend several weeks.

Apologies are extended for an error which appeared in Warren General Hospital admissions for Saturday, the patient being Louis Critelli, 209 Russell street, instead of Joseph Critelli.

Mrs. Casper Zinger, 37 Fuller avenue, has returned from Seattle, Wash., where she was called a month ago by the serious illness of her sister, Mrs. Will Spear. The latter, on the road to recovery, accompanied her sister home and will be a guest at the Zingers pending arrival of her husband, when they plan to take up permanent residence here.

Sally Lou Zell, student nurse at Allegheny Valley Hospital, has returned to her work after spending a three-week vacation with her mother, Mrs. Hilda Zell, 311 Laurel street.

Mrs. Mary Lawson and daughter, Mrs. F. N. Dobbs, of New Court Place, and Mrs. Josephine Knoll, Pennsylvania avenue, west, have returned to their homes after spending the holiday weekend with Mr. and Mrs. Ned Salerno in Mt. Clemens, Mich.

Following a week of visiting old friends in Warren, the Rev. and Mrs. Fred Miller and son, Larry, have returned to Cedar Rapids, Iowa, where Pastor Miller has a Baptist charge. The Millers served five years in Calvary Baptist church of Warren and have many friends in the community.

It was incorrectly stated in announcement of the betrothal of Marga Morrison and Lawrence M. Fox that he is in the Army. His branch of service is the U. S. Navy; his station, Jacksonville, Fla.

Mrs. Agnes Johnson, accompanied by her sister, Mrs. Bert Christensen, is back from New York City, where she attended the Gift Show at the Hotel New Yorker last week.

Mr. and Mrs. Ben Malec, Starbrick, are home again after a pleasant vacation in New York City, visiting relatives and friends and enjoying a number of television shows.

Hal Boyle Comment

By HAL BOYLE
NEW YORK (AP)—School bells ring out this month for a record 45 million young Americans from the kindergartens through colleges. But a strong case could be made out for the theory that they are ringing for the wrong people. School now is that period between the mumps of childhood and the lumps you get when you have to start earning your own living. So much to learn in so short a time—for the average student spends less than a fourth of his life in the classrooms. The wilderness of the multiplication table gives way to the jungle of algebra. And even then has one found out the things that really count?

The trouble with formal schooling is that it ends with most people when their real education begins. There is no bridge between the two—the vast library of books, and the vast library of living.

One teaches knowledge, the other wisdom. It is unfortunate, but true, that few people get wise merely by reading. The schooling years now are roughly from 5 to 22. After that a man spends less time exploring what the world knows—and more time finding out what he has to put up with. One of the oddities of the educational process is that he will do more real growing up in one year of kindergarten—and, later, in one month of marriage—

Program Director Taking Position In Jamestown

Dick Bove, above, assistant program director of WNAE, is leaving Warren on September 12 to assume a new position with WJOC in nearby Jamestown, N. Y.

He came to Warren on July 2, 1955 from Somerset, and prior to that time had worked at WJNC, Jacksonville, N. C.; WJNR, Newark, N. J., and WSOU-FM in South Orange, N. J.

A graduate of Seton Hall University, Dick has been active in radio since college days. He majored in communication arts and received a bachelor of science degree (cum laude).

At WNAE, he handled such programs as the Warren news, Carnival of Music, and Club 1310; also, he performed other duties relating to programming. In assuming his new position at Station WJOC in Jamestown, Dick will do the early morning show as well as other programs during the morning and early afternoon hours.

Although not a native of Warren, he was active in many community projects working with such organizations as the Junior Chamber of Commerce, the Kiwanis Club, the Knights of Columbus, Catholic Youth Council, and other groups.

"It is difficult for me to leave Warren after having spent so much time here, but one must advance himself if he is to succeed in life." "It has been my pleasure to serve you," he said, "and I do want to thank all of you for being so kind and hospitable. I sincerely hope that Warren will always be the type of town that it is today."

IRVINE

IRVINE—The WSCS of the Methodist church has postponed its meeting until September 11, when members will be entertained at the home of Mrs. Laura Wing in Youngsville.

Mr. and Mrs. John Swartz, Mr. and Mrs. Harry Swartz and son, of Sharon, were Sunday guests of her mother, Mrs. Ray Ongley.

Mr. and Mrs. Emil Bundy and family were weekend visitors of relatives and friends in DuBois.

Labor Day guests of Mr. and Mrs. Thomas Lore were Mr. and Mrs. William Crane, Spring Creek; Mr. and Mrs. Leslie Wilkinson and family, Carl Prudy, Irvin and Elizabeth Crane, Corry. Mr. and Mrs. George Faulkner were callers at the Lore home during the week.

than he will in four years at college.

Seeing the bright-eyed "hopes of tomorrow" go gallily, or mournfully, back to their classrooms gives many of us middle-aged dupes of today a tinge of regret.

We know a feeling of envy. We wonder if, perhaps, education, like youth itself, is too splendid a gift to waste on the young. They don't get enough mileage out of it.

When you get right down to it, who really needs education most? Not the young. They are still largely helpless and harmless.

Pat McGarry is the daughter of North Warren free lance photographer Don Neal.

MOTORCYCLE MISHAP

Two Erie residents were cut up and bruised about 5:10 p. m. Tuesday when their motorcycle failed to make the sharp curve on Route 6 at Irvine. According to troopers, the eastbound cycle skidded into a steel guard fence, then slid along the gravel berm. Operator Kenneth Aunty, 22, of 422 Harvey street, Lawrence Park, Erie, was taken to Warren General Hospital where it was believed he might be forced to lose his right ring and middle fingers. He declined admittance to the local hospital and returned to Erie St. Vincent for further treatment. His passenger, whose name has not been learned, reportedly escaped with scrapes. The Harley-Davidson motorcycle sustained approximately \$100 damages.

BIG JOE NO SLEEP

Big Joe announced from his Venturatown headquarters today that the locks have been thrown away as his big, month long "Buy, Sell and Trade" campaign startles the fruit business. Every Thursday, said Joe, he will barter away his goods as they do in an Afghanistan market place as would-be buyers make an offer and Big Joe gives a counter proposal, until bargain prices are reached. And, added Joe, if a housewife can't sleep and wants to get up and can at 3 a. m., the stand has pickling onions ready. Also, if area gardeners have an excess of peppers, and want to trade for peaches, that also will be arranged, said Big Joe who is halfway to Florida by thought transference already. Come up evenings and pinch, he says.

Defiant Owners Prevent By-Pass On Cobham Road

A refusal of two Glade Township property owners to give permission for by-passes on their land today forced the highway department to close Cobham Park Road at the second bridge about two miles above the borough line.

This will force diversion of traffic across legislative route 61037 to Jackson Street Extension for motorists going to Scandia or upper Cobham Park Road.

Highway Department Superintendent Chester Walker said the bridge would be closed at least six weeks to prepare abutments and wings for the pre-stressed concrete 30-foot spans.

Superintendent Walker stated that one land owner on either approach to the bridge was willing to sign the by-pass rights but that his neighbor across the road would not. Unreasonable requests for making a park area of land used for by-pass was one expensive reason why the highway department could not concede owners' demands, according to Walker.

Ordinarily, a by-pass permits traffic to skirt a bridge site and ford the stream while abutments and wings are poured. In other highway department activity, the department has completed laying the base on LR 61026 between Jackson Run and Lander and will shortly apply oil and chips. Same is true of that section of Route 337 to Tidouie Inn. Thirty-foot pre-stressed concrete spans are being awaited for LR 61023 bridge at Matthews Run Store. Abutments and wings have been poured.

Clarendon Boro Has Problem In Traffic To Dam

(By LARRY)
Will county aid be granted or not?

This was the problem which confronted Clarendon Borough Council last evening concerning the traffic situation at Chapman Dam Road when they met for their monthly meeting in Borough Building.

As was discussed last month, a new traffic light must be installed at the dangerous intersection to handle the hundreds of cars flowing through the Route 6 and Railroad street (Chapman Road) intersection. Council President John Hickey reported that County aid is needed if the project is to be completed before the next season of heavy traffic comes, which will be during the two-month hunting season.

Although the congestion came about as the result of a state action, no aid will be administered by the Commonwealth, putting the complete burden on Clarendon Borough, with insufficient funds at present to cope with the problem without assistance.

Council will meet in a special session Tuesday evening at eight p. m. to make further studies in the matter.

Other matters presented before the members was a tax misunderstanding. It is pointed out by Council that any person residing in Clarendon on or before January 1, 1958, is subject to taxation and must pay. Residence taken there Jan. 2 or after, will be taxed from their previous district.

"No Parking" will be enforced on the north side of Anchor street.

Building permits may be purchased from Building chairman Lawrence Benson, 103 North Center street. Specifications and a rough drawing of the proposed structure are to be submitted to Benson at time of application.

High Street extension project will be moving shortly after pipe lines are rerouted. Sewer project on lower Levi will also be started within a month. Sidewalk committee reported that property owners were to be advised on their walk conditions.

Hackney Meadows Residents Hold Annual Outing

Hackney Meadows residents held their annual outing Saturday and elected Clifford Kammer as mayor for the next year. Barbecued chickens, placed on the spit early in the day, added to the many casseroles prepared in the kitchens of the little resort along the Conewango to make the annual feast a gastronomical success. Saturday's perfect weather added much to the affair.

As master of ceremonies, Harry F. Schmidt presided over a program of entertainment and elections as well. Boyd Widger, recently retired after many years with Western Union and a longtime Hackney Meadows resident, was elected Vice Mayor to assist Mayor Kammer. In the evening there was a big bonfire and movies were taken to be shown next year.

Those present were: Mr. and Mrs. Clarence Zerbe and daughter, Priscilla, Clifford Kammer, Mr. and Mrs. Don Sharp and daughters, Donna and Debbie, Boyd Widger, Mr. and Mrs. Harry F. Schmidt and sons, Charles and Ed, Mrs. Rhea Brennan and son, Mike, Miss Marion Root, Mr. and Mrs. E. R. Samuelson and sons, Mark and Dave, Mrs. Alice Winerter, Mr. and Mrs. Willis Winerter, Mr. and Mrs. William Anderson, Mr. and Mrs. Norman Arnold, Mr. and Mrs. John McGann and daughters, Christy and Kathy, Mr. and Mrs. Harold D. Baker, Mr. and Mrs. Bert Werlin and children, Maxine, Craig, Sally, Bradley, Karen and Roxanne. Unable to be present were Mr. and Mrs. Leo D. Gibson, ex-Mayor and Mrs. Carl Asplund, ex-Mayor, Rell Hoskins, Mr. and Mrs. James Geary and Clyde Baker.

and Mrs. George Seavy have included Mr. and Mrs. John Seavy and two daughters, Hopewell, Va.; Mr. and Mrs. Ross Seavy, New Martinsville, W. Va.; Mr. and Mrs. Jud Seavy and children, Owosso, Mich. Mr. Seavy has also had word from Cranford, N. J., of the birth of a son to Mr. and Mrs. Bob Seavy.

David Youngquist has returned to his school in Buffalo after vacationing with his parents, Mr. and Mrs. Robert Youngquist.

Sallie Kinch is home after a few days spent in Pittsburgh. Friends and neighbors are sorry to lose Mr. and Mrs. Charles Lobdell, moving to a farm near Stow, N. Y. Their home has been purchased by Mrs. Kifer, Warren.

Mr. and Mrs. Harold Walchli and children, Pittsburgh, have been visiting Mr. and Mrs. Hans Walchli and other relatives. Maralyn Freeman spent last week with her grandparents, Mr. and Mrs. Mervyn Campbell.

RADIO and TV

By CHARLES MERCER

NEW YORK (AP)—Steve Allen grew a mustache during a six weeks European trip this summer but it failed to serve its purpose. American tourists still recognized him.

When Allen returns to his regular spot on NBC-TV Sunday evening, his mustache will stay—for one performance. Allen will be present all season.

Next summer, he confirmed, the Allen Show will move to Hollywood for its permanent home.

"I like California," he said the other day. "I like to live and work there and I've bought a home there. By next fall NBC will have studio space available and we can move the circus West."

For one thing, he'll be closer to his three sons by a previous marriage. For another thing, his wife, Jayne Meadows, likes California, and their young son is reaching the toddling stage where a New York apartment just doesn't seem big enough.

Allen sees no great changes in his show this season. It is, he emphasizes, a comedy show—not a variety show, although it will continue to have a variety of guests.

On their trip to Europe this summer, Allen, his wife and two of his sons went to England, then crossed over to Paris where they rented a car and drove south through France and into Italy.

"It was my first trip," he said, "and now I can't wait to go back to Europe. If I could look into the crystal ball and see that I'd be on television every week for the next five years I'd be disappointed. In a year or two I'd like to be

on every second week. Television is thrilling, but it's confining."

There hasn't been anything confined, however, about his activities during this so-called vacation. He has been writing songs and several albums of his music have been recorded. He's working on a book of cartoons. And, as usual, he's been jotting down ideas for his show.

Allen is the greatest idea-jotter in the business. He eschews notebooks and favors old envelopes, menus or any bit of paper. At almost any hour he can reach in almost any pocket and pull out a note. Furthermore, he can always make out what it says.

CLARENDON

CLARENDON—Mr. and Mrs. Peter Yagge entertained the various groups of the EUE church at their summer home at Cherry Grove, with 32 present to enjoy dinner. The remainder of the evening was spent with visiting and singing.

Mr. and Mrs. George Morrison have had as recent guests Marguerite Jetter and Barney Joffin, Buffalo; Mr. and Mrs. Harry Brinkman and four children, MacDonald, Pa.

Spending some time with Mr. and Mrs. Benny Hofer have been Bob Wiltshire, Burlington, Ontario; Ethel Grooms and Charles Hamilton, Toronto.

Mr. and Mrs. Luther Whitaker are home after a vacation trip to Richmond, Va., and other points of interest.

Elaine Steinhauer, Erie, has been a guest of Ann McBride. Visitors at the home of Mr.

Oddities in the News

NASHVILLE, Tenn. (AP) — A drunk, explaining how he happened to get that way, described for police a wonderful place where he "just drove in and filled up from a spigot." The officers found the spot near here. They smashed a 500-gallon all-copper moonshine still.

BRUNSWICK, Ga. (AP) — Funeral services will be held today for Maj. Gen. Edward P. King, who commanded U. S. forces on Bataan in the Philippines at the time of the 1942 surrender to the Japanese.

Burial will be Wednesday at Flat Rock, N. C., near his summer home.

King, a native of Atlanta, died of a heart ailment Sunday night. He was 75.

CLINTON, Tenn. (AP)—Clinton High School begins its third year of racially mixed classes today with 10 Negroes, all girls, enrolled among about 800 whites.

Four of the Negroes were in the school last year and six freshmen registered last week.

Two years ago Clinton High first admitted Negro students under federal court orders amid violent demonstrations that brought National Guardsmen to restore order.

First Practice Sessions Are Being Held by Area Knights

Northern Area Knights began their 1958 practice Monday with a much greener team than Coach Norge Luvison has headed in the past two years, slots being filled mostly by juniors and seniors. Three losses were sustained in the removal by graduation of center Jim English; guard Jerry Angove, playing freshman football at Duke University; and halfback Bud Rowland, now in professional baseball with Boston Red Sox in Nebraska.

In all, 11 lettermen returned to the Knight gridiron. Luvison and his coaching aides, Fred Bauer and Jack Binney, make no bones about their high hopes for stout performances by senior fullback Denny McNally, junior tackle Bob Darts and junior quarterback Kenny Williams, as well as junior tackle Morris Beedle and sophomore halfbacks Al Ludwick and Denny Owens.

Other promising players for the Knight eleven include Fred Brasington, Alton Henning, Marvin Work, Dwight Work, Jim Fox, Larry Rigal, Paul Tutmaher, John Stewart, Bill Angove, Lynn Firth, Pete Giotz, Gary Baily, Doug Weston and Jack Schott.

Coach Luvison reports, "So goes the juniors and the two sophomores, so goes our club. We will be much lighter this year than last, depending more on speed than before, and will operate as in past seasons out of the tight 'T' formation."

Northern Area will compete in Northwestern Conference. They will have three independent games with Sheffield, Youngsville and Kane, season officially opening September 20 at Sheffield.

Dr. George Riley will give physicals this evening at 6:30 at Eisenhower School.

Theme Song Is Unchanged With College Grid Coaches

By JACK CLARY

The theme song is the same on all college football practice fields today — work, work, work. The tuning up began Monday as the official opening of fall practice got under way — in some places in mid-season form.

Opening day activity varied from the usual picture taking sequences and equipment and textbook distribution to full fledged scrimmages and pre-dawn and post-sunset workouts.

In many cases coaches oriented their players on the rule changes affecting blocking and substitution and then went through a brief dummy drill and calisthenics workout.

At Ohio State, Coach Woody Hayes didn't bother to look at the calendar. He put the defending Big Ten Conference and Rose Bowl titlists through a scrimmage that saw two guards emerge with a broken nose and smashed finger, respectively, and center Dan Fronk get five stitches to close a cut on his temple.

Virginia Military Institute, 1957 Southern Conference champ, had its 46 man squad out for a pre-dawn workout under Coach John McManus.

Up in Cambridge Mass., Coach John Yovician had 63 Harvard candidates, including 19 lettermen, going through conditioning and dummy drills that wound up under the lights.

UCLA, whose luck turned bad before practice started with the sudden death of Henry "Red" Sanders began its fall practice as a member of the doomed Pacific Coast Conference without new Coach George Dickerson. Dickerson is in UCLA Hospital with a nervous condition that will sideline him most of the week. Top aide Bill Barnes is in charge.

Elsewhere, Notre Dame began its 70th football season with 25 lettermen among 87 candidates answering Coach Terry Brennan's summons. Pitt spent two sessions on fundamentals while Rutgers Coach John Stiegman put his 50 players through a hard contact drill.

In the conferences Michigan State Coach Duffy Daugherty had 77 out for practice, including 24 lettermen on a team expected to give Ohio State a battle for the Big Ten title.

Alit Bruhn had his largest turnout of lettermen in three years at Wisconsin as 27 reported for practice. Ray Elliot began his 17th season at Illinois with a first team of lettermen and eight-non lettermen on his second team.

Southwest Conference champion Rice had 63 out for the first day

while Baylor Coach Sam Boyd described his 55 candidates as "lean and hungry." Texas Christian Coach Abe Martin was displeased with the physical shape of the top-rated team in the Southwest as was Texas Coach Darrell Royal with his 67 aspirants.

William & Mary had 70 out for the first day, largest turnout in the school's history while West Virginia began "lard drumming" sessions for most of its 57 players, picked as a likely Southern Conference champ.

Atlantic Coast Conference champion North Carolina State went through a heavy workout in 90-degree heat while Wake Forest Coach Paul Amen went to work with a full scrimmage. North Carolina did a bit of scrimmaging, as did neighbor South Carolina.

A. P. Sports Writer Takes Look at American League

Second of a Series

By JOE REICHLER

Associated Press Sports Writer

NEW YORK (AP) — The idea that the New York Yankees cannot be beaten is so widespread in the American League that it is taken for granted.

Opposing teams, as well as fans, accept the idea that the race is a foregone conclusion. The differ-

Sports Writer Picks Army And Navy Among the Top 10

Saturday Evening Post's 19th annual Pigskin Preview today named Navy as the number one team in East and ranked the Middles sixth in the nation.

Veteran sports writer R.F. Russell gave national ranking to only one other Eastern eleven, Navy's arch-rival, Army, which he picked for tenth position among the top 20.

Service academies each had a player nominated for the 1958 All-American, too. For Navy, it was tackle Bob Reifsnnyder, picked to be Lineman of the Year. For Army, it was Bob Anderson, All-American half-back.

Published in the current issue of Post, Preview expected Princeton to repeat as Ivy League champion and listed Penn State, Pittsburgh, Syracuse, Boston College, Colgate,

Villanova, Rutgers and Boston University as other strong teams in their areas.

Lehigh and Delaware are co-favored in the university division of the newly formed Middle Atlantic Conference, while Hofstra and West Chester are seen as strongest in the 20-member college division. Williams, defending Little Three champion, is reported to be returning more lettermen (38) than any other squad in the nation.

Russell says that this is the year in which college football bids boldly for something new in spectator appeal via the option on the points after touchdown, first change in scoring since 1912. However, he is of the opinion that this exposes the coaches to intensified pressures and he says that the 1958 season should be a feast

for second-guessers.

Observation is made that the first team to score is likely to influence the pattern of options and he mentions that statistics indicate how an extra-point picker is successful 70 to 80 percent of the time, while a pass or run from the three-yard line scores only about 30 percent of the time.

Here is the order in which Russell selected top 20 teams: Oklahoma, Notre Dame, Ohio State, Mississippi, Michigan State, Navy, Clemson, Texas Christian, Auburn, Army, Wisconsin, U.C.L.A., Texas, North Carolina, Iowa, Mississippi State, Miami, Arizona State, Tennessee, Southern Methodist.

His complete All-American lineups: Ends—Williams, Michigan; Wilson, Auburn. Tackles—Reifsnnyder, Navy; Lanphear, Wisconsin. Guards—Wooten, Colorado; Eucyer, Notre Dame. Center—Harrison, Oklahoma. Backs—Meredith, S.M.U.; Anderson, Army; Carlton, Duke; White, Ohio State.

Soda Mineral City League Champions

Shagunessy playoffs in City Softball League came to fast close in the shadow of the football season last evening when Soda Mineral won the third straight contest from Betts Machine Shop 4-0 on West Side field in a three out of five series.

Bud Speicher pitched a beautiful one-hit ball game and faced only 26 batters in the seven-inning game. Speicher struck out 11 batsmen of Black Knights yielding the only hit in the sixth inning to R. Berdine.

After two were out in the first, Murphy and B. Brown were walked by Sorenson. Soda Mineral then took an early lead when W. Check doubled allowing one runner to cross home plate.

With one out in the third, Murphy singled and Brown advanced to second on a dropped third strike. W. Check cracked a double to drive in two more runs. J. White singled to drive home Check for the third run of the inning.

W. Check lead the champions with two doubles and Bud Speicher helped preserve his victory with two singles.

It is not the Yankees' fault the American League race is a shambles. They are doing what they are supposed to be doing—developing the best team possible and win as many games as possible.

Prizes for games are awarded for good games at Arcade Alleys under A & P Store, according to Proprietor "Thad" Lawson, who announced today that the lanes are open afternoons and evenings for fun and exercise as the fall bowling season gets under way. For reservations, phone 9878.

Stengel Has Ninth League Pennant Just About Bagged

By ED WILKS

Associated Press Sports Writer

Casey Stengel has his ninth American League pennant all but officially bagged. He has a 12-game lead with less than two dozen games to play. Yet this may be the toughest part of the season for the New York Yankee skipper.

What he needs is time, not to clinch the flag, but to rest his ailing pitchers — Southpaw Whitey Ford and Right-hander Don Larsen — for next month's World Series. Both have been found free of serious arm trouble, but a holiday has been prescribed for both.

So what's Casey do? He comes up with a new set of

starting pitchers, his fourth this year.

He has brought Bobby Shantz and Zack Monroe out of the bullpen to form a five-man starting staff with Bob Turley, Art Ditmar and Duke Mass. It could be a six-man group with Murry Dickson.

Thus far, the "new" staff of starters has won three of five games. Monroe, recalled from the minors, pitched his first complete game in the majors Tuesday night for a 6-1 victory over Boston.

Washington spilled Baltimore 4-3 and Detroit tied the Orioles for fourth by defeating Kansas City 6-1 in the only other games scheduled.

Truett (Rip) Sewell, the guy with the bloopers pitch, is the only other Buc to win 20 in one season since 1930. He did it twice, in the war years of 1943 and 1944.

Now, with the Pirates scrapping for their first finish in the first division in a decade, Friend is the National League's top winner. He picked up his 19th Tuesday night as the Bucs defeated Philadelphia 3-2 and

Friend Needs But One More To Be First 20-Game Winner

By ED WILKS

Associated Press Sports Writer

Since 1930, the year Bob Friend was born, the Pittsburgh Pirates have come up with only

two 20-victory pitchers. Now Friend is just one game short of becoming the third.

The last was Murry Dickson, now with the New York Yankees. He did it in 1951—and with a seventh-place club.

Truett (Rip) Sewell, the guy with the bloopers pitch, is the only other Buc to win 20 in one season since 1930. He did it twice, in the war years of 1943 and 1944.
